

American Inns of Court
 Bruce R. Thompson Chapter
 2008-2009 Mentors and Mentees

It is the tradition at our Inn to welcome new barristers and associates by pairing them with masters and emeritus masters. This is an opportunity for new members of our Inn to meet veteran lawyers in the legal community who can provide information about our Inn and advice about the practice of law in our community. It is through collegiality and personal relationships that the Inn's goals of civility and professionalism are achieved.

Suggestions:

1. Mentors, please phone or email your mentee(s), introduce yourself, and welcome the new member to the Inn.
2. Mentors, please take a moment to greet your mentee(s) at the September dinner and at the first October program.
3. Consider having lunch with your mentee(s) and/or organize lunch with other mentors and mentees at least once during the year.
4. Check in with your mentees to make sure they are attending the monthly programs and plan to meet them every month.
5. Support your mentee(s)' commitment to the Inn by attending his/her program this year.
